

BOSTON ANTI SPATTER SPRAY

Description

Anti-Spatter Spray serves as a protection from spatters of the workpiece to be welded without affecting the weld itself. Anti-Spatter Spray is silicone-free. It forms a protective layer which prevents spatter sticking to the surface therefore can be easily be wiped off the material being welded. Since spatters do not stick on the surface, they can be easily wiped off. Extends the life span of contact nozzles and welding tips. The surfaces of parts to be welded are provided with a lasting protective layer so as to make mechanical finishing unnecessary. Rust inhibiting additives prevent flash rust on in-process and surrounding metal surfaces. Offers complete protection throughout the welding process and prolongs the life span of contact nozzles and welding tips.

Application

Anti-Spatter Spray is recommended for use on resistance welding tips, Mig and Tig tips, electrode holders, contact tips, tools, metal moulds and bench top splash guards.

Directions

Shake the aerosol vigorously before use. Thoroughly clean the surfaces needing treatment and spray Anti-Spatter evenly over the whole area from a distance of approx. 20-25 cm. Also spray approximately 10 cm to the right and left of the weld so as to protect workpiece surfaces. After welding wipe clean before applying another treatment.

Storage/Shelf Life

Store in a cool place out of the sun.
Do not store above 50°C

Specification

Propellant: Hydrocarbon
Does not contain silicone or ODCs

Health and Safety

For personal safety do not use while equipment is energized. Aerosols should be completely empty before disposing. Recycle can if facility is available or place in household rubbish. Always use in a well-ventilated area and avoid prolonged breathing of vapours.

Limitations

It is recommended to clean the surface before starting a secondary treatment of the workpiece, such as browning, electroplating, anodic oxidation or lacquering.

Packaging

400 ml aerosol can
12 units per outer carton
1728 full pallet
Product Code 78647
Barcode 9340885007857

First Aid
